

expand your impact

Community Led Solutions

Expand Your Impact is a program developed to support changemakers and community leaders to grow their success

For those who work tirelessly to implement projects, often as volunteers, with limited funds and resources. People of all ages who initiate or contribute to projects encompassing social, health and well-being, sustainability and community wide challenges.

The program consists of four units, built upon one another:

Unit 1 Building YOUR Vision

Unit 3 Talking it UP

Unit 2 Mobilising your A-Team

Unit 4 BEING Resource Rich

Topics are tailored to address specific local challenges

Designed to : **Reinforce a 'can do' approach; contribute to skills development; and create collaborative connections across sectors**

Packages include online engagement : distribution of educational materials; interactive processes and relevant resource materials

Delivery options include : online communications + 1 full day workshop; 2 half day workshops; 4 or more individual sessions
